

Speech pathologist Job Description

We are seeking a compassionate and skilled Paediatric Speech Pathologist to join our team! In this role, you will work with children to assess and/or treat speech, language, and communication disorders. The position is available for 2 or 3 days a week with flexible hours and the option to increase days in the future.

Key Responsibilities:

- Provide one-on-one therapy for children with speech and language delays
- Develop and implement individualized treatment plans
- Collaborate with parents and caregivers to track progress
- Conduct assessments and maintain accurate documentation
- Autism assessments an advantage (but not required)
- Ability to prepare NDIS required reports

Qualifications:

- Bachelor or Master's degree in Speech-Language Pathology
- Current certification (with Speech Pathology Australia)
- Eligibility for a Medicare provider number
- Familiarity with the NDIS population and experience working with NDIS clients is highly desirable
- Strong communication and interpersonal skills
- ABN (Australian Business Number) required
- Passion for working with children and making a positive impact on their development
- Graduates welcome to apply!
- Experienced in the following assessments: CELF-5 / CELF-P2, DEAP, CCC-2 or pragmatic language assessments

Join a supportive, dynamic team dedicated to helping children thrive!

Schedule:

Days are flexible. We have a room available on Mondays, Wednesdays and Fridays.

Expected hours: 10 – 15 per week (2 or 3 days)

- Job Type: Subcontract
- Pay: From \$100.00 per hour

Licence/Certification:

- Speech Pathology Certification (Required)

Work Authorisation:

- Australia (Required)

Work Location: In person
